# My Lord!

## *Increase me in knowledge*

HOLY QURAN 20 : 114

Acquire knowledge : In enableth  
the possessor  
to distinguish right from wrong  
it lighteth up the path to Heaven;  
it is our friend in solitude ;  
Our companion when friendless  
it guideth to happiness,  
it sustaineth in adversity,  
it is an ornament among friends and  
an armour  
against enemies

In the Name of Allah,  
The most beneficent and merciful  
Praise be to the Almighty

Guide us along the straight path  
The Path of those on whom  
Thou has bestowed Thy blessings  
Not those who have incurred Thy displeasure  
Nor, those who have gone astray.

Our students have won higher awards in the state meets. The gymnastics and callisthenics display, ground work, pyramids, asanas, karate, malkhamb, etc. put up by the school from time to time won the applause and administration of every one who witnessed them.

1. Many group facets such as Scouting, Clubbing, Red Cross, St. John Ambulance etc. hum with activities all through the year and the students have carved out a niche for themselves in this realm too.
2. In order to discover and develop the latent talents and capacities of the students, the school provides facilities for various hobbies and handicrafts, activities and associations which also serve as medium of instruction.
3. Greater stress is laid on socially useful productive work such as Gardening, Acting, Singing, painting, puppetry, Oraory, Dramatics Gadget making etc.

To instill in the minds of the pupils the spirit of patriotism and national integration, national festivals and birth anniversaries of great men of the soil are cerebrated. Many instructional and educational tours and trips are also organised.

Turning to the academic side, the results are strictly based on maintaining quality and quantity in examinations at all levels.
